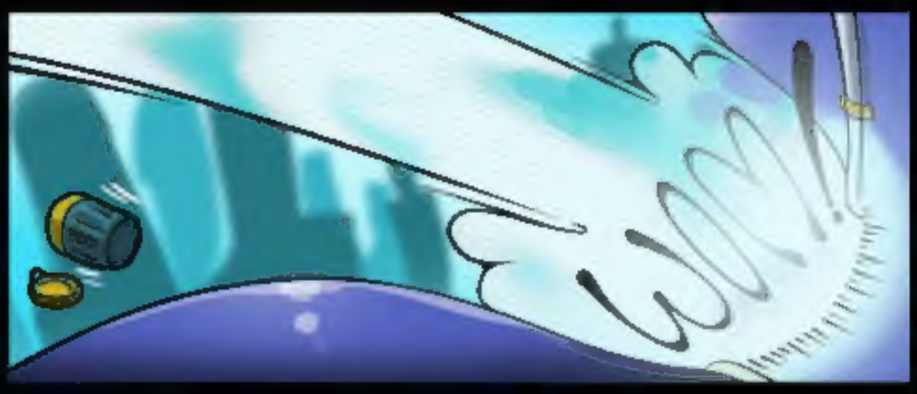
What's your plan? Toma, you're not used to this form yet.

Then let's take it for a spin!

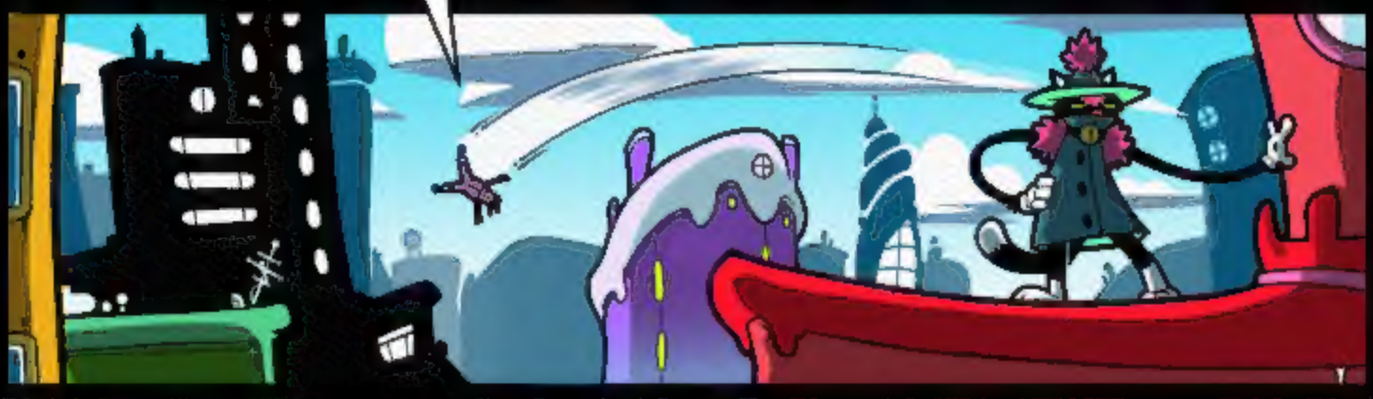
Take it for a spin?

GYAAAAA~!



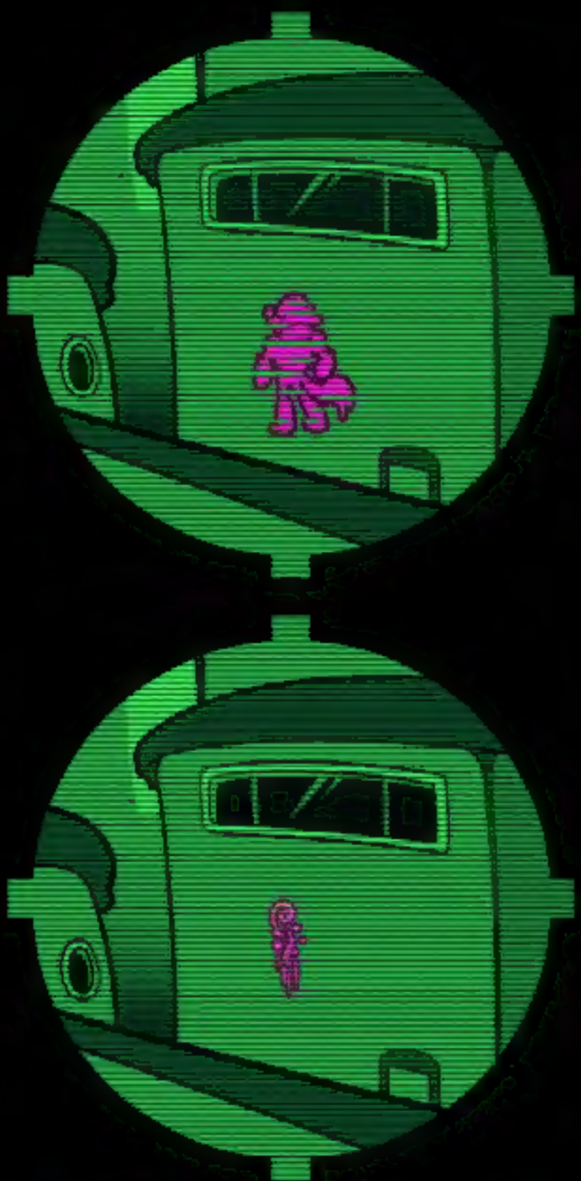
Wooo-hoo! I think I just cleared multiple buildings in a hop!

Focus on the landing before you celebrate!



Are you SURE about this, Toma?

Let's do it!

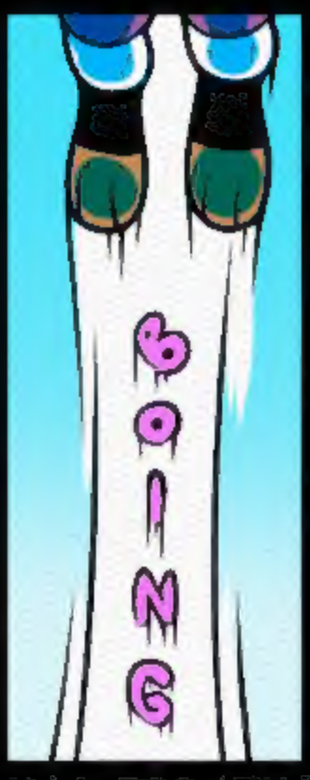


What.

Oh, so that's it!

Fine, I'll take the bait.

Listen, wolfy. Purr-etty clever to hide in your human form! Once I tag that you're gonna have nowhere else to go!



Wow, a workaround! Neat trick. . . wolfy?

Too high, too high!
I see that. Give me a few more bounds and I'll get the hang of it!
Oof, idiot. Wanna be a rabbit, then I'll give that a good ol' tag too.
Won't miss this by a hare!
Incoming!
Wow, he was ready!
